2. Aim

The aim of this policy is to set out what charges should be levied for school activities, what remissions could be implemented and the circumstances under which voluntary contributions can be requested from parents.

Sections 7, 8 and 9 cover education provided wholly or mainly during school hours; Section 10 covers charges for extended activities outside school hours, provided by or on behalf of the governing body of Wootton St Andrew's Church of England Primary School.

3. Definition of Extended Provision

Extended use of school premises is when schools open up their school facilities either before, during or after the school day as well as during school holidays for educational, community or commercial use.

Education use is defined as any activity directly related to the curriculum.

Community use is defined as facilities and services that benefit families and the community as well as pupils.

Commercial use is defined as school facilities being let to external organisations/groups on a profit basis.

4. Responsibilities

The governing body of Wootton St Andrew's Church of England Primary School is responsible for determining the content of the policy and the head teacher for its implementation. Any decisions with respect to individual parents will be considered by the head teacher.

The governing body should make all users aware of local safeguarding procedures, especially when the school is being let during the normal school day.

The governing body must ensure that all site users have their own safeguarding procedures in place and all staff are aware of their content. Safeguarding procedures should be

equivalent to those adopted by the Local Safeguarding Children's Board (LSCB) within North Lincolnshire.

5. Prohibition of Charges

In line with DCSF guidance, the governing body will not charge for any of the following:-

- education provided wholly or mainly during school hours (including the supply of any materials, books, instruments or other equipment);
