

Wootton St Andrew's C of E Primary School

Catch-up Premium Strategy for Covid-19

The Coronavirus (COVID-19) catch-up premium up is additional funding that the Government have made available to all schools. These funds are for schools to use to support where pupils' learning and wellbeing have been impacted by school closures and subsequent disruption due to the pandemic.

Amount Received

The funds are allocated to all schools on a 'per pupil basis' for all pupils in Reception through to Year 11. For the 2021-2022 academic year, Wootton St Andrew's Primary School has been allocated £4,480.

Schools are free to spend the Coronavirus catch-up premium as appropriate based on the particular needs of their pupils and the professional judgement of teachers and school leaders. As with all government funding, school leaders and governors must be able to account for how the additional funding is being used and are expected to evaluate and monitor the impact of different approaches. Therefore, the impact and spending strategy for this catch-up premium will be reviewed through Governor School Improvement meetings throughout the 2020-2021 academic year.

Schools should use this funding for specific activities to support pupils to catch up for lost teaching time over the previous months. To support schools to make the best use of the funding, the Education Endowment Foundation (EEF) has published a support guide:

<https://educationendowmentfoundation.org.uk/covid-19-resources/covid-19-support-guide-for-schools/#nav-covid-19-support-guide-for-schools>

A summary of their best practice is as follows:

Overall strategy area	Specific strategies
Teaching and whole-school strategies	<ul style="list-style-type: none">▪ Supporting great teaching▪ Pupil assessment and feedback▪ Transition support
Targeted approaches	<ul style="list-style-type: none">▪ One to one and small group tuition▪ Intervention programmes▪ Extended school time
Wider strategies	<ul style="list-style-type: none">▪ Supporting parents and carers▪ Access to technology▪ Summer support

Summary of planned provision for WSA 2020-21

Strategy Area	Specific Strategy	Cost
Teaching and whole-school strategies	<ul style="list-style-type: none">▪ Quality first teaching▪ Regular and robust formative and summative assessment systems with pupil progress meetings and on-going professional dialogue around progress and data▪ Well-resourced class bubbles to enable quality first teaching and learning▪ A comprehensive curriculum that meets the needs of all children▪ Increased opportunities for Maths and English teaching across the curriculum▪ A focus on personal well-being to promote good mental, physical and social habits that will support children to engage in their learning▪ Ensure good transition arrangements are in place▪ See School Development Plan for planned focus areas▪ Purchase new spelling and grammar resources▪ Review reading book provision	SDP funding
Targeted approaches	<ul style="list-style-type: none">▪ Dedicated intervention sessions (one to one and small group) enabled by increased hours for TA support (either teacher led or TA led)▪ Targeted support for one to one emotional support, including bereavement support	£2,000 £1,250
Wider strategies	<ul style="list-style-type: none">▪ Family Workers to supporting parents and carers with safety and well-being▪ Provision of technology to ensure all have access in the event of bubbles closing▪ Online teaching strategy for bubbles of children so they can engage in learning at any time or place▪ Provide revision books for all Y6 children	£1,250 £780
TOTAL:		£5,280

How we will measure the impact of the catch-up premium

We use a range of approaches to collect, collate and analyse data on pupil progress, including measuring the impact of the above interventions on attainment through progress meetings and annual reviews. We use statutory assessments and Rising Stars tests to help make our summative assessment judgements and inform progress on a termly basis.
