

Character Development; Hope, aspiration and courageous advocacy

Our school has outstanding behaviour which is commented on regularly when the children are out on trips or in church.

Children have a keen sense of justice and injustice and will naturally voice The Wootton Way.

Parents fully support the school and children. In the past few years the children have;

- Canvassed local companies for items for survival kits for the Homeless Project
- Created Pick Up Dog Poo poster for the village
- Baked and sold crumbles to buy wet wipes for our friends in Bethany
- Raised money to buy water for our friends in Bethany
- Collected old football kits to be sent to Africa via Scunthorpe United
- Supported Christian Aid at the Barton Upon Humber Big Sing
- Entertained senior citizens at the Rotary Christmas tea
- Provided filled Christmas boxes for The Samaritans' Purse
- Raised money for Children In Need
- Supporting the local food bank at Harvest time
- Children delivered worship on projects they have been inspired to support
- Collected toys, games and toiletries for Ukranian children

Children enjoy performing at our 'Let Your Light Shine' event in school every term - celebrating each others' talents.

We relate everyday issues to expressions of faith.

UKS2 talk confidently about the impact of faith and values on their own lives and others.

Quality responses are evident in RE books.

Pre Covid for most church services all pews are full as the local community are welcomed and join us.

There are school links in Uganda and Bethany.

What this means in our community for us - following the School roof fire Nov 2021 local community raised money for resources lost and a selection box was donated for each child (Ephesians 4v32 in action).
