Old. I live in a small trading centre called Kamukama in Masaka district. I go to school Newlife commu p1s and am in year 7 I am soon completing primary level to go to secondary school.

I live with my mum @, Dad @, two sisters and one brother, The name of my sisters are Oliver and Joan and my brother John @.

In my school, there are very many children about 600 I like sports especially football and my favourite team is Man "U" which is the best.

Dear Baker, in your letter, I saw that you have lots of friends, me too I have many friends of about 30

I enjoy listening to Reggae music composed by Reggae stars @ I also like biking but my bike was stolen and I do not have money to replace it with a new one.

I love England and I want to study secondary here but bad enough I can not afford the costs of travelling to England @ and another bad thing is that I do not have any friend who can take me there. I just want you to be my good friends until forever @ When will you come to see us?

I am very happy for your letters!! May God grant you nice time.
